

## Are you looking for an affordable, vibrant independent senior living community that caters to active seniors?

Villa Pueblo is a full continuum residential retirement community in Pueblo, providing welcoming senior living options for the last 40 years. And with our new Senior Select plan, we now offer customizable, maintenance-free independent living for active seniors.

With Senior Select, you can tailor your independent living plan based on your lifestyle and needs. Maintenance, activities and scheduled transportation are already included in the monthly rent, and you can add housekeeping, flat linen service, meals and cable TV “a la carte” if you want them.

We'll help you retire the way you want. To learn more, join us for a no obligation lunch and personal tour, and we'll answer all of your questions about retirement living and Villa Pueblo, whether you're ready to move or just starting your search.

**RSVP to 719-253-3723 or [rickmacaluso@centura.org](mailto:rickmacaluso@centura.org) to reserve your spot!**

Our living options are designed for a range of lifestyles, from seniors who want a more independent living arrangement, to those who need full service independent living, assisted living, or nursing home care. We look forward to meeting you!
