You want a community that
feeds your spirit and
nourishes your soul. Oh, and it needs to be vibrant,
full of friends and beautifully welcoming, too.

The Gardens at St. Elizabeth
Senior Living Community

You want meals that are delicious,
good friends to share a
great conversation, and someone else
to be left with the dishes.

You want the right amount of independence, and just the right touches of care. You want the peace of mind that friends are close by to check in and say “hello.”

The Gardens at St. Elizabeth is a uniquely warm and welcoming community. We are an integral part of a beautiful tree-lined neighborhood and we have a rich spiritual and cultural history. You'll find a spirit of faith throughout, including the breathtakingly beautiful Christ the King Chapel, built in 1897. We offer daily Mass and Rosary and a weekly non-denominational service.

Residents feel a true sense of community here and our many activities make for vibrant, fulfilling days and evenings. With the luxury of weekly housekeeping services and a restaurant-style dining room serving three meals daily, The Gardens at St. Elizabeth is a place that fosters great friendships and opportunities to try new activities.

Our residents and their loved ones have the peace of mind of knowing we have an emergency call system in every apartment, on-site health and wellness seminars, classes, entertainment, excursions and much more.

We offer four living options, and an adult day program.

- **Independent Living**
- **Independent Plus Services**
- **Assisted Living**
- **Memory Care Secured Unit**
- **Adult Day Program**
