You want a community that
nourishes your spirit, fosters
new friendships and is anything but “retiring.”

And of course it needs to be
bright and beautiful, too.

Porter Place

centuraseniors.org/porterplace

You want meals that are delicious,
good friends to share a
great conversation, and someone else
to be left with the dishes.

You want the right amount of independence, and just the right touches of care. You want the peace of mind that friends are close by to check in and say “hello.”

Porter Place is nestled into a quiet residential neighborhood surrounded by big trees and convenient to shopping, churches, city parks, golf courses, walking paths, and the University of Denver. Here, you can choose to have your days as full and diverse as you wish, with opportunities to share meals with friends, visit our hair salon, or take part in the many activities on-site. You may find you are an expert Wii bowler by joining our league, or you can choose to learn more about computers or just soak up the sunshine on our outdoor patio.

No matter how you spend your time, or how much assistance you need, you'll feel a real sense of community at every turn. And with the luxury of weekly housekeeping service and all-inclusive pricing that includes three meals a day, you'll have plenty of time to meet new friends as well.

We offer four living options and short-term respite care.

- **Retirement Living**
- **Independent Plus Services**
- **Assisted Living**
- **Memory Care Secured Unit**

You want to be able to pick
and choose the **activities** that fit your **tastes**,
your **lifestyle** or your **mood**.

- We offer weekly housekeeping and flat laundry service.
- We provide scheduled transportation for shopping, planned activities and medical appointments.
- We have an on-site hair salon and chapel services.
- We provide a complimentary 24-hour snack bar and beverages.
- You'll find free laundry facilities on most floors.
- You can join in activities, entertainment, classes and excursions. Plus, we have a Wii game system for resident activities and computer lab with free classes.
- Other amenities include three daily meals, garages and carports.
