

You want to feel cozy, without feeling cramped. You want enough room to spread your wings, but not too much to take care of.

## Floorplans at Villa Pueblo

We offer spacious studio, one- and two- bedroom apartments, ranging in size from 476 to 1,092 square feet. We provide an emergency call system in every apartment and our friendly staff handles all maintenance and housekeeping chores.

Each apartment includes a full kitchen, carpeting, and window coverings. We provide a refrigerator/freezer, stove with oven, garbage disposal and, in some units, a dishwasher. Sliding glass doors open to your own private balcony overlooking the city of Pueblo. Plus, Villa Pueblo is affordable and you don't have to make any long-term commitments. Many residents find that the cost of living at Villa Pueblo is less than the cost of owning and maintaining a home.
